

1870 Pickens County, Georgia Mortality Schedule

Mortality schedules for the census years 1850 through 1880 recorded the names (and other data) of persons who had died during the twelve-month period preceding June 1st of the census year.

These abstracts are made from 1870 U.S. Census, Mortality Schedule, Pickens County, Georgia, pages 547-548 of the National Archives microcopy T655, reel 9.

In 1870 eleven columns appear on the schedule with the following headings: 1) Number of the family as given in the 2d column of Schedule 1; 2) Name of every person who died during the year ending June 1, 1870, whose place of abode at the time of death was in this family; 3) age; 4) sex; 5) color: white, black mulatto, Chinese, or Indian; 6) married or widowed; 7) place of birth: naming the state, territory, or country; 8) father of foreign birth?; 9) mother of foreign birth?; 10) the month in which the person died; 11) profession, occupation, or trade; and 12) disease or cause of death.

Visitors of this site are encouraged to view the actual mortality schedule on microfilm as cited below. There is more data on the census schedule than is available in the abstracts give below on this web site. The microfilm is locally available at the Pickens County Library, Jasper, Georgia; the Georgia Archives, Atlanta, Georgia; and the National Archives-Southeast Region, East Point, Georgia. The film may also be rented and viewed at one of the many local LDS branch libraries of the Family History Library in Salt Lake City.
